IMMIGRATION BILL CHUCKED BY  
BRIEFLY BRAZED LAW  
SAVING TO INVESTIGATE.

WASHINGTON, June 21.—The report of immigration for May is reported to show that the number of Japanese entering into the country has been decreased at all since the previous immigration under the new legislation law. It takes the number has not greatly increased. It is true that the number of Japanese has increased, but much. He will make a personal investigation to see what can be done to assist in protecting the safety and the spirit of the law.

Commissioner-General of Immigration has been called in the office of the Bureau of Immigration to select a place for an immigration station. He has sent to Japan to select from that city with the Japanese majority immigrating to this country to determine where the Mexican border, leading them to the United States. The Government is considering this on which they are agreed to enter into further negotiations.

## YACHT COMMITTEE FORMULATES PLANS

MONEY WILL BE RAISED BY POPU-  
LAR SUBSCRIPTION AND YACHT  
BOAT RIBBLE.

The members of the committee of the Hawaii Yacht Club in charge of securing and management of a boat to compete in the great trans-Pacific yacht race for next year are exceedingly optimistic over the outcome. The matter of raising money for the purchase of the yacht was the principal one discussed at the meeting held at the offices of Commodore Cooper, past president, on Friday evening. After much discussion, it was decided that there is sufficient interest and pride in the Territory to make the raising of about \$10,000 not such a very difficult task.

The members of the committee present at the meeting were: Commodore Cooper, and Messrs. Lyde, Stevenson, McElroy and Wilder.

Until last night no definite plan of collecting the money for the purchase of the boat had been arrived at, but it was finally decided after a careful discussion, to ask for general subscriptions of from \$5 up. Certificates of receipt will be furnished each subscriber, and after the race, in case the boat is disposed of, each stockholder will be refunded his proportion of the receipts of the sale.

While it is not yet known exactly how much will be raised, it is expected to have enough money available to defray the expenses of the Committee, and these will be sent to all persons who should be expected to support the movement.

It was decided at the meeting to write to the dealers of the yacht and urge the speediest possible completion of the plans. It is hoped to receive the preliminary plans within five weeks, according to the promise contained in the cable on the matter received some days since from Tandy, the San Francisco representative of Crowningshield of Great Britain designer who is to design the craft.

In all probability the yacht will be built in Honolulu, and all the materials which it is possible to use will be Hawaiian products. Within a few months the committee hopes to have the work on the new boat well underway.

Ed. Fernandez, the Diamond Head captain, was unanimously selected to inquire the names, and H. Asan was selected to be the manager on grounds.

During all boat boat games when the president is absent, The meeting adjourned to meet again next Friday.

At the meeting to elect a new president, the following names were presented: C. Clark, by the C. A. C. & R. Pierres, by the H. A. C. and W. Waddington, by the C. Aloha C. The result of the balloting was that Bill Yamada, the captain of the Kaha, was elected. The League had already informed the right to selecting Bill for the position and it is hoped that by his services the League will be as successful in the future as it has to the past.
